HELP US TO KEEP BEING ABLE TO HELP YOU

To help contain the spread of COVID-19, residents are encouraged to wash your hands frequently, contain coughs into a tissue or elbow, stay home when not feeling well, clean surfaces frequently AND USE SOCIAL DISTANCING. While we here at the municipality always welcome our residents, with this unprecedented environment, we ask residents to please come to the municipal building only if absolutely necessary.

Below are some ways you can take steps to help with social distancing until this period is over.

- Get in touch with us via phone or email, instead of coming into the municipal building.
- Use the availability of our ONLINE payment methods for tax or water payments [Link]
- DO NOT come into the municipal building if you are sick or have been around anyone who is sick.
- INSPECTIONS: if you are scheduled or scheduling any inspections (building, health, etc) please let us know if you or anyone in your household is sick.
- FOR OUR FIRST RESPONDERS: (Police, Ambulance & Fire) When they are responding YOU MUST let them know if you, the patient or anyone in the home area or have been exposed to COVID-19.
- Not sure about your symptoms or have questions? Please call the COVID-19 HOTLINE AT 862-260-3199 or visit the CDC website [Link]
- Please check for cancellations of meetings and events on our website’s calendar [Link]
