Cutoff & Late Fees

Why are there Cutoffs?
Coaches need to be selected.
Teams need to be drafted.
Uniforms need to be ordered.
Practice schedules and Game schedules need to be made.

Why are there late Fees?
To encourage parents to sign up on time.
There are additional fees when uniforms are ordered after the original order.
Please note, there is only a small time frame in which we can accept late registrations.

Why are children turned away?
Once a team gets to a certain number of players, it is not fair to those who signed up on time to have over crowded teams. Playing time per player is diminished if teams exceed the standard number of players on a team.

Once teams are created and uniforms are ordered, new teams cannot be formed.

How do I sign up?
The registration forms and the program flyers are online and at the Recreation Office.
Registration forms can be brought to the Recreation office at 221 Hollywood Avenue, mailed in, or put in our mailbox day or night, located outside our Recreation building.
