Protect Yourself From Utility Payment Scams

Don’t Become a Victim.

Scammers often:

- Pretend to be from PSE&G. (It may even say PSE&G on your Caller ID.)
- Threaten to turn off your power within the hour.
- Demand immediate payment often by prepaid card or fund transfer app.

Important notes:

Customers scheduled for service disconnection due to nonpayment receive written notice on their bill at least 15 days in advance. Customers can check account status online: MyAccount or mobile app. Having trouble paying your bill? Reach out to PSE&G.

Suspect a scammer?

Here’s what to do:

2. Call us at the phone number on your bill: 1-800-436-PSEG (7734)
3. Call the Police.

If you have any doubts, do not rush your payment. Call PSE&G main number to verify.
